Purchase a Course Extension

1. Find the course you want to access and click on the **Purchase Extension** link.

2. In the modal window that appears, select the extension you wish to purchase.

3. Selecting the extension length will display your new access end date. Please review the extension information before proceeding.

4. Click **Continue** to enter your billing address and credit card information.

5. Click the **Pay** button to complete your purchase.

Note: Purchase Extension link will display 7 days prior to course expiration date. Eligibility and extension period will vary based on state regulations.
